- Select “A-Z” to filter results and reports by alpha A-Z.
- Select “Z-A” to filter results and report by alpha “Z-A”.
- Keep the default setting to “Most recent” to view the most recent results and reports that have been completed.

The screenshot shows the 'Results and Reports' section of a patient portal. At the top, it says 'Select a result or report below to view either the history of the result'. Below this, there are two dropdown menus: 'View Results only' and 'Sort by Most recent'. A red dashed arrow points to the 'Sort by Most recent' dropdown, which is open, showing four options: 'Most recent', 'Oldest first', 'A to Z', and 'Z to A'. Below the dropdowns, there is a card for 'Glucose Fingerst Clinic' with the text 'Date collected: Jan 29, 2026'. At the bottom of the card is a link that says 'View details'.
